

The following list identifies facilities currently registered in the HT Program. Facilities that were registered in the HT Program may have terminated their registration but still have wood packaging material manufactured while they were a registered facility circulating in the market place. If there are any concerns about the legitimacy of marks observed on wood packaging material or the registration status of the facility associated with those marks contact the CLSAB office.

The following list identifies facilities currently registered in the HT Program. Facilities that were registered in the HT Program may have terminated their registration but still have wood packaging material manufactured while they were a registered facility circulating in the market place. If there are any concerns about the legitimacy of marks observed on wood packaging material or the registration status of the facility associated with those marks contact the CLSAB office.

The following list identifies facilities currently registered in the HT Program. Facilities that were registered in the HT Program may have terminated their registration but still have wood packaging material manufactured while they were a registered facility circulating in the market place. If there are any concerns about the legitimacy of marks observed on wood packaging material or the registration status of the facility associated with those marks contact the CLSAB office.

facility is defined by
